

TEAM BUILDING 2025

The farm

of opportunities

Our experience is supporting your company
to **cultivate** good qualities and **transform** them
in successful opportunities

Our proposal permits you to live experiences beyond everyday routine and which we define "extra-ordinary". Activities in contact with nature, raw material and animals develop a **positive change and increase individuals and group performances** to make your business more productive. The final success will be the result of **an harmonic teamwork**.

WHY A FARM TEAMBUILDING?

The same keyconcepts

In the daily farmlife we are victims of the unexpected but also of opportunities and exciting changes. Our experiences are based on keyconcepts that can be applied to business dynamics to develop the growth and the productivity.

Problem solving	Resilience
Management of instruments and time	Leadership
Communication	Responsibility
Collaboration	Competence
Self-awareness	Trust

...and much more!

GENERAL PROGRAMME

Initial briefing to share activities and goals.

Final debriefing talking about the activities done.

MORE INFO

Depending on your business' goals we are here to guide you to choose the correct activities. The activities will be done divided in teams to motivate a good competition. On request is possible to do the activities all together.

Each activity could be changed depending on numbers, weather conditions and farm availability.

The activities are for small, middle and big groups for a maximum of 100 people. The Teambuilding can be done in English.

RECOMMENDED CLOTHING: *track suit and sports shoes.*
