in successful opportunities

# WHY A FARM TEAMBUILDING?

## The same keyconcepts

In the daily farmlife we are victims of the unexpected but also of opportunities and exciting changes. Our experiences are based on keyconcepts that can be applied to business dynamics to develop the growth and the productivity.

Problem solving  
Resilience  
Management of  
instruments and time

Leadership  
Communication  
Responsibility  
Collaboration

Competence  
Self-awareness  
Trust  
...and much more!

## GENERAL PROGRAM

Initial briefing to share activities and goals.  
Final debriefing talking about the activities done.

## MORE INFO

Depending on your business' goals we are here to guide you to choose the correct activities. The activities will be done divided in teams to motivate a good competition. On request is possible to do the activities all together.

Each activity could be changed depending on numbers, weather conditions and farm availability.

The activities are for small, middle and big groups for a maximum **of 100 people**.

For groups of fewer than 10 participants, can be created customized packages.

Teambuilding can be done in English. RECOMMENDED CLOTHING: track suit and sports shoes.

## CLASSIFICATION

Our experienced staff will use evaluation tables incorporating scores for each challenge and the team which is judged to have best achieved the required training objectives on the day and thus obtained the best score will be declared the winner.
