

ANTICELLULITE TREATMENT AND DRAINAGE THROUGH COFFEE

Caffeine fights to prevent the development of varicose veins, capillaries and works effectively on fat deposits, by draining the tissues.

It brings remarkable antioxidant benefits and has palpable effects on vibrancy and softness, refining and regenerating the skin.

The treatment includes:

Body scrub using coffee

Hot shower

Application of ecological coffee oil to the body

Coffee tasting

Treatment duration around 45 minutes

Special price € 48,00 instead of the normal € 90,00

This offer is valid until 31st May 2017
