Harmonic Rituals Ahura

Three wonderful rituals in which everyone can find themselves, allowing themselves the right time to feel the Beauty, Happiness and Exclusivity of being with themselves!

Aqua maris Ritual

The sea is the cradle of life.

And each time we return to it we can feel how powerful its healing power remains for both body and spirit. It's a clear and always wholesome sensation that springs from the combination of the regenerating action of sea water, algae and Dead Sea mud alongside the know-how and expert dexterity of the professional masseurs. In this dynamic synergy, the Ahura Method encourages you to reconnect your body to the fluid and primordial component of life, regenerating the entire body, stimulating the metabolism and at the same time purifying the spiritual element.

Duration 90' – € 165

Vitis Elisir Ritual

Since ancient times, the vine has been celebrated as an emblematic element of nature by time-honoured civilisations.

Expression of immortality, symbol of youth and eternal life.

The Vitis line exalts the virtues of the grape, integrating its natural potential with the most recent cosmetological research into the field of stem cells contained in the fruit. The detoxifying, antioxidant and anti-inflammatory action of the vine is combined with the element of strengthening of the metabolism and cell turnover, thus limiting the natural decay of dermal protein. The Vitis Elisir ritual significantly improves the quality of local microcirculation and acts on problems related to venous insufficiency and the consequences of aging, giving vitality and regeneration to the body at the same time.

Duration 50' with a final oiling only – € 99

Duration 80' with a full massage – € 139

Lux Solis Ritual

In the plant world, seeds, oils and butters are the substances where maximum vitality is concentrated, due to the heat processes conducted by solar activities. The gently revitalising effect that those very substances can bring to the human body through the practice of massage encourages the person to rediscover their ancestral link with the Sun and to benefit not only in the Body but in particular and above all in the Soul. Ahura has developed the Lux Solis ritual, bringing out the natural power of pure oils, butters and their active ingredients through a massage that stimulates the entire body. By enveloping the recipient with warmth and loving care, it allows the person to become not only aware of his or her body dimension but also to the very deepest inner states.

Duration 50' with a final oiling only – € 99

Duration 80' with a full massage – € 139
